

## Gerard Grech

Gerard Grech (@gerardgrech) is the CEO of Tech City UK, an organisation focused on accelerating the growth of digital businesses in London and across cities in the UK. He is also a Board member of the Barbican, Europe's largest arts centre based in the City of London.

Gerard has 15 years experience in the world of digital media, web, mobile, venture capital and startup development. His international experience in London, Paris and New York, building digital products and rolling them out across 5 continents, has given him global vision and local expertise, spanning product development, business strategy and venture capital. Before that he was a new media journalist and started his career in the music business.
